The Complete Sports Collectors' Catalog Vol. 129

To My Fellow Collectors,

You have in your hands the latest and greatest 100-page catalog from Larry Fritsch Cards! Arriving after 56 years of full-time business, this issue comes with more new products, vintage "One-of-a-Kind" singles, sets and boxes, and finds from our warehouses.

Fanatics (the parent company of Topps) has made the decision to essentially stop offering many smaller hobby stores like ours new products altogether.

The fact that we have been a great business partner with Topps for over 50 years, spanning three generations of ownership, apparently does not matter to them. They know they can offer their products directly on their website and via their breaking partners.

The frustrations we have been feeling with releases of new products are not unique to us.

Other local hobby shops are struggling to acquire new releases just like we are.

We are fortunate to have built up decades' worth of inventory that we can still offer and warehouses

worth of inventory that we can continue to explore and find "new" items to list for sale both in the pages of our catalogs and on our website.

With that said, please be sure to keep in mind that we do offer some products exclusively on our website at FritschCards.com or on our eBay store and you can follow our social media pages and sign up to receive our emails to be kept in the loop on updates there.

You can always call us toll-free at 1-866-595-8687 to find out what is new and upcoming as well.

We appreciate your business and look forward to being able to help with your collecting needs in the near future!

My Best,

Jeremy Fritsch

1976 SSPC Team Sets

We have a limited number of team sets available from the 1976 SSPC issue. This beautiful, full color set was issued in 1976 by the Sport Star Publishing Company. The set had to be withdrawn from the market due to legal problems. The set was produced in much shorter supply than planned and therefore is somewhat scarce. Card fronts are very much like the 1953 Bowman cards with only the player's picture; backs have a biographical write-up. The complete set is made up of 630 standard sized cards, each team set is comprised of 20-30 cards.

SINGLE CARDS

Single Card ordering procedure for all single cards & coins, all sports and non-sports:

Due to ever-lowering inventory numbers and the constantly fluctuating market for single cards, we no longer are able to list our "Three-Grade" section. We do still have many cards available from issues from the 1880s to present, we just cannot offer all of them with printed prices due to these volatile conditions. In order to serve you better and help you get the cards you are looking for in the grades you want, we have expanded our former "New Concept" section to include all single card orders. Please follow these instructions:

- (1) On an order form from page 62 or 64, please list the year/sport, manufacturer, card number, player's name and condition of the cards you want. Please list up to 20 cards and do not list by player's name only. (50¢ per card additional for cards listed by name). If you do not know the player's card number, we have a **BASEBALL CHECKLIST BOOK (\$7.50)**, and a **TEAM CHECKLIST BOOK (\$19.95)**, available to help you. If you would accept a lesser condition of a particular card in event your first choice is not available, please list alternatives in the spaces provided. For an example of a filled out order form, please see page 63.
- (2) Please include your want list, a remittance of \$10.00 for each 20 cards listed and a self-addressed stamped envelope (4" x 9 1/2" size). \$10.00 deposit can be made via check, money order, credit card or PayPal. Submissions that do not include a self-addressed stamped envelope are subject to a \$1.00 surcharge (unless a phone number or email address is provided)
- (3) Upon receipt of your want list and remittance, we will check our stock, pull the cards that are available that you listed and set them aside for you. We will then notify you of the cost of the cards you listed (including shipping and handling), and hold the cards for TWO WEEKS, pending your reply. It is important that your reply be received within TWO WEEKS, as we cannot hold the cards out of our general stock any longer than

that, as other collectors may want them.

- (4) For quicker turnarounds, provide a daytime phone number and/or email address and we will contact you directly as soon as the cards are pulled and priced. Orders can also be paid over the phone with a credit card, which will speed up the process.
- (5) If you order all the cards we have on your list within the TWO WEEK period, the \$10.00 you sent will be credited to your order.
- (6) If you do not order within the TWO WEEK period, we will retain the \$10.00 you sent to cover our costs of returning the cards to stock.
- (7) If none of the cards you listed are available, we will return the \$10.00 you sent. If only some of the cards you listed are available and your total order is under \$10.00, we will send you a credit slip or a refund for the difference. Please specify if you would want a credit slip or refund.

CARD CONDITION GUIDE

The condition of cards is a very important factor in determining their price. Buying cards by condition allows the collector the opportunity to make the choice as to the type of cards he wants for his collection. We use a standard grading scale which includes these grades:

- Near Mint (NM)
- Excellent-Mint (EM)
- Excellent (EX)
- Very Good-Excellent (VG-EX)
- Very Good (VG)
- Good (GD)
- Fair (FR)
- Poor (PR)

We will also do our best to fill requests such as "any card in lesser condition," or "best card possible," for example. Please try to be as specific as possible to your wants.
